

Addendum to the August 18th, 2015 Budget Meeting.

Bullet Proof Window/Door for the Police Station Office

- Discussion regarding placing a bullet proof window/door at the New Freedom Police Station was held. The original idea was to remove the one at Stewartstown. That office has since been rented and the new tenant would like to keep the window. After much discussion if and why the commission should proceed with getting a new quote, Commissioner Terrell, acting on the behalf of the New Freedom Borough stated that New Freedom Borough Council would not approve a change to the office at this time. A motion to table by Commissioner Gemmill and was second by Commissioner Buchanan.
